

17th Annual Lavender & Artisan Winter Fair

The Lavender Association of Colorado invites you to join us in sponsoring our 17th Annual Artisan Winter Fair this event brings to our area and our state. Our members are not just growers but also members of communities who desire mutually beneficial, long-term relationships with prominent and respected businesses such as yours. We look forward to working with you and to developing a relationship that will last for years to come.

Our venue location is the Clifton Community Center 9am – 3pm, on Dec 5, 2026. In addition to holiday themed and lavender related arts and crafts, there will be members there who can answer questions regarding educational information on using lavender, distilling lavender for essential oil and hydrosol, cooking and food demonstration or descriptions, decorating with lavender, health & body care items, etc. Our newest and highly successful feature of raffle sales of donated items is a specialty as well.

We would be grateful for your sponsorship to support us in our mission of education, research, networking and market development.

Don't forget that in six short months, there will be our Annual Lavender Festival at the Riverbend Park June 25-27, 2027. We would be honored to have you be a part of that event too!

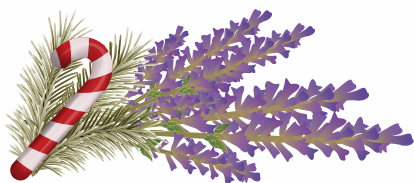

All Sponsorships will be first come first serve, unlimited and are non-compete. Anyone who is interested in promoting our Annual Lavender & Artisan Winter Fair is eligible to participate. Due to the size of our venue, we do have limited space.
